

### [DIRECTIONS FROM \(SOUTH\) BALTIMORE ON I-95](#)

Take I-95 North to **Exit 89**, Havre de Grace. **Bare right** towards Havre de Grace for approximately 2 miles (*the last ½ mile you will be going down a steep hill*). At the bottom of the hill, stay in your left hand lane and continue straight (*you will go under a railroad bridge*). Go another ½ mile and the road makes you **turn right onto Juniata Street**. Go to the first traffic light (*approximately 500 yards*) and **take a left onto Otsego Street**. Go another 2 ½ blocks to the water (*you will be parallel to the AMTRAK bridge that spans the Susquehanna River*). Follow road to right under Railroad Bridge. Immediately get into your left hand lane for approximately 200 feet. **Take a left** at the split in the road at the flag poles and statue of General Lafayette (St. John Street).

As you approach the split in the road, you will see MacGregor's 1 ½ blocks up, on the left, along the water. As you get closer, you may want to begin to look for a parking space along the street.
